

## **WE ARE GROWING!!**

Tri-Tech Pinnacle Group Inc. is one of Canada's leading roof and building envelope consultants with over 30 years experience and offices in Toronto, Calgary, Montreal & Halifax. Our team consists of registered roof observers, building science specialists, certified thermographers, and professionally trained inspectors. Our services include but are not limited to roof condition reports, specifications, a full range of inspection services, a full range of testing services and infrared thermography.

Tri-Tech Pinnacle Group is currently seeking roof and building envelope site inspectors to join our Technical Services Department. We are looking for individuals interested in pursuing a career in the building science and construction industry. Interested individuals must be willing to complete both online and onsite training provided and paid for by the company.

### **Responsibilities Include:**

- Perform site inspections and attend client site meetings as required
- Prepare technical site reports with photographs and submit daily
- Review and understand the project specification to ensure compliance
- Address any on-site problems as they arise with management/clients
- Assist with infrared scanning and scan verifications

### **Skills and Qualifications:**

- Diploma in Building Construction, Engineering or Design or equivalent education
- Willing to work towards Registered Roof Observer Designation
- Comfortable with climbing ladders and heights
- Team player with excellent time management skills
- Reliable, good work ethic and great attitude
- Willingness to be flexible and adaptable to changing priorities
- Valid driver's license with excellent driving record and reliable vehicle
- Excellent English verbal and written communication skills
- Strong proficiency with MS office

### **Assets:**

- Experience in the construction industry would be an asset

### **Hours of Work:**

- Monday to Friday 8:00am to 4:30pm
- May require occasional travel and overnight stay outside of the usual work area
- Occasional weekend work as needed during peak summer season

### **What we offer:**

- Competitive compensation package including a car allowance and group benefits
- Three weeks' vacation, six paid personal days and two TTPG days per year
- Annual performance review with opportunities for advancement and bonuses
- Company events and team building
- Company paid training (manager approved)
